

# KIRA MUNICIPAL COUNCIL CHARGING POLICY 2022/2023

## KIRA MUNICIPAL CHARGES, FEES, RATES AND RENT FINES 2022/2023 POLICY

The charging policy of Kira Municipal Council lays down the principals upon which the different taxes and fees in use by Kira Municipal Council are based. The policy details the tax base rates, grades of markets and trading Centre etc.

The policy eliminates ambiguities and arbitrariness in assessment, and reduces the use of Revenue Officers' discretion in tax administration. This protects tax payers from unnecessary harassment and over taxing of tax payers by revenue officers and aids the tax payers to plan their tax obligation in advance.

The policy entails the following:
